A Special Collaboration: RIANNA + NINA's Fundraising Fashion Show at the Benaki Museum

Athens, November 26th

RIANNA + NINA is thrilled to announce their collaboration with the prestigious Benaki Museum in Athens. On November 26th, the Benaki Museum and RIANNA + NINA will join for an exclusive fundraising event, highlighted by a fashion show debuting a couture collection created especially for this occasion.

The collection, titled **ΕΛΛΑΔΑ Σ' ΑΓΑΠΩ** (GREECE, I LOVE YOU), draws deeply from the Benaki Museum's rich archives, opened for the first time exclusively for RIANNA + NINA. This treasure trove of history is an exceptional collection of artworks by Greek painters, as well as textiles, ceramics, and woodcrafts from the early modern era. Few periods in history exemplify such a profound fusion of Eastern and Western influences as the centuries of early modernity on the Greek mainland and the Aegean Archipelago. Honoring the museum's historical treasures with admiration and respect, Creative Director Rianna Kounou has brought these inspirations to life through vibrant prints, bold compositions, and exquisite craftsmanship. The result is a colorful landscape that blends the essence of Greece's rich artistic heritage with the luxury and innovation that RIANNA + NINA is known for worldwide.
